ADMINISTRATIVE GUIDE

1 ORGANIZATION HISTORY

The North Jersey Youth Roller Hockey Association (NJYRHA) is a non-profit organization comprised of local leagues who have agreed to play roller hockey games under the rules within this booklet and USA Roller Sports.

All items contained within this official “NJYRHA Administrators Guide & Rulebook” supersede any rule, regulation, requirement, or standard found anywhere else. However, for any rule not specifically covered in this guide, the USA Roller Sports 2016-17 edition of “THE OFFICIAL RULES OF INLINE HOCKEY” rule book and penalties apply. This guide book is not intended to describe and explain the rules of USA Roller Sports.

2 GOALS OF THE ORGANIZATION

Promote the sport of roller hockey as a “non-checking” light contact, skills-oriented game.

Do not tolerate players: who fight, show poor sportsmanship, antagonize other players, show disrespect for coaches, referees or administrators.

Do not tolerate coaches who argue, disrespect players, referees or administrators; or who show disregard for our rules

3 ORGANIZATION HISTORY

The NJYRHA was created more out of necessity than inspiration. In the spring & fall of 1992 scrimmage games were played between Glen Rock and Carlstadt. By October, both towns independently began searching for other towns to participate in inter-borough competition, since their own local leagues were growing and they were looking for competitive outside play. In December 1992 the NJYRHA was officially organized. Regular season and playoff games were completed in April 1993 – our first season!

In June 1994 we added All-Star games to the schedule. In 1996 we separated the league into two divisions, American and National as well as two conferences, North and South. We also conducted separate National / American division All-Star games.

We have evolved over time and now (are comprised of approximately 20 teams from 9 charter towns competing in three divisions (Midget, Junior & Senior).

4 CURRENT OFFICERS

President:	Tony Comanto
1 st Vice President:	George Cronk
2 nd Vice President:	Jerry Graziano
Secretary:	Barry Huston
Treasurer:	Guy Finetto

5 PREVIOUS SEASON CHAMPIONS

Midget Wyckoff 1

Junior Lyndhurst

Senior Hawthorne

6 LEAGUE PARTICIPATION

To participate in the NJYRHA each town must be approved by the membership. A "Local League Application" form must be submitted to the NJYRHA Executive Board. In addition all local leagues must have an adequate rink as described in Section 10 of this booklet. Any deviations must be noted to the league for review. All rinks must be reviewed for approval by the facilities committee on an annual basis.

The NJYRHA season is based on the calendar year and generally is played from December until March

To help separate players by maturity/skill level, there are three divisions: Midget, Junior and Senior

7 LEAGUE STRUCTURE

The NJYRHA board will call at least one meeting per month from September until April. Additional meetings may be held as deemed necessary.

The Local league must designate one point of contact as the league representative and one alternate representative.

A Local league must be present at 75% of League Meetings otherwise voting privileges will be suspended.

By the 2nd meeting (usually early OCTOBER), each local league must submit to the board

- a. Local league application (Charter) and local league fee
- b. Certificate of Insurance (covers entire season)

By the 3rd meeting (usually late OCTOBER or early November), each local league must submit to the board a team application and all applicable team fees

By the 4th meeting (usually mid NOVEMBER), each local league must submit to the board

- a. One complete roster which includes:
 - a. final team roster, including call-up players and coaching staff
- b. Towns will be required to keep the following information (to be used for verification if necessary):
 - a. recent picture of each player
 - b. signed copy of the Player / Parent Code of Ethics
 - c. signed copy of the Coaches Code of Ethics
- c. One copy of the roster is to be submitted to the Discipline Committee Chairperson via email.

Weekly results must be maintained by the local league representative and reported to the league statistician within 24 hours of the game being played. These reports should include the home teams local league name, level, team name, opponent information (local league name & team name), game number and the score.

The assignment of officials is the responsibility of the Supervisor of Officials, who reports directly to the Executive Board. Duties shall include:

- a. Scheduling of all officials for all league sanctioned games
- b. Sponsoring of clinics and meetings for all officials
- c. List a roster of all officials to be documented and submitted to the board

8 FEES AND PAYMENTS

Local league Membership \$200 per town

Team Fees \$215 per team

Referee Fees:

- a. Midget: \$45/game each referee
- b. Junior: \$55/game each referee
- c. Senior: \$65/game each referee

Games that are cancelled after the second period are considered completed games and require full referee payment.

Games that are suspended during the first or second period require half referee payment.

Games which are suspended or cancelled upon arrival require a special case travel fee of \$10.00 per referee.

Games that are forfeited, require a full referee payment

Games that are officiated by only one referee shall require payment of both fees to the one referee.

Each team will pay one of the referees for each game.

9 THE RINK

9.1 RINK REQUIREMENTS

The playing surface must be reasonably smooth, obstruction free and must be level.

Team benches are required with gates.

A separate penalty box is required for each team bench.

Prior to the start of a game, the rink shall only be deemed playable upon inspection by the hometown league officials. Once a game has started, only the game officials (referees) can suspend or cancel that game.

A minimum 3 ft high by 8ft long tarp or screening material must be located on the fencing behind each goal net during all games

9.2 DIMENSIONS OF RINK

As nearly as possible the preferred rink dimensions are 180 feet long by 80 feet wide. The maximum rink dimensions are 200 feet by 85 feet, while the minimum rink dimensions are 150 feet by 65 feet

Perimeter Boards are mandatory and may consist of: standard rink boards of approximately 4 feet in height with rounded or angled corners

9.3 DIVISION OF PLAYING SURFACE

The playing surface shall be divided into two halves by a Center Red Line which must be clearly marked.

Blue lines must be clearly marked and positioned so that the entire rink is divided into three equal parts. A minimum distance between the goal line and the blue line must be 42 feet for all NJYRHA approved rinks of less than 150 feet and 60 feet for all NJYRHA approved rinks of more than 150 feet.

9.4 FACE-OFF CIRCLES

Face off circles are required. Two should be positioned in each defensive zone, four in neutral zone and one at center rink

9.5 GOAL POSTS, LINES AND CREASE

Each goal must be 6 feet wide 4 feet high and 2 feet deep. Some means of keeping the goal stationary is necessary.

Goal line(s) shall be the full width of the rink and must be a minimum of 8 feet from the rink end. The rear of the goal must have a minimum clearance of 6 feet behind it (10-15 feet is ideal). Goal lines must be 2 inches in width.

A goal crease must be clearly marked in front of each goal. It must extend 36 inches beyond both sides of the goal posts and extend 72 inches in front of the goal line. This translates into a 6 foot radius semi-circle in front of the goal

10 THE TEAM

10.1 PLACEMENT OF TEAMS

Teams in the Midget, Junior and Senior divisions will be created based on age-based formula as follows: Players ages are based on their ages as of September 1 of the current year. The general guidelines are as follows:

Midget – 8-11

Junior – 12-15

Senior – 16-18

The ages of female players and any special needs exempt players will be reduced by one year and they will be eligible to stay down one level

10.2 COMPOSITION OF TEAMS

A team is composed of five players on the playing surface plus a goaltender. A minimum of 10 players and a maximum of 20 players shall be permitted on a team, unless an exception is granted by the board.

10.3 ROSTERS

All teams must present a league-certified roster to the referees before the start of each game in order for the game to be played. Games will not start unless both teams present these rosters. League-certified rosters will include a league stamp that is initialed and dated by a league board member.

Teams that do not present their league-certified rosters within the 15-minute forfeit window from the official start time of the game will forfeit the game.

Any revisions to league-certified rosters that have not been submitted to the league board for re-certification must be approved via an email attachment by a member of the league board and shown to referees until revised roster(s) have been certified.

All rosters will be finalized by January 1, after which time no changes will be allowed. Any deviations are illegal and will result in a forfeit of games played and possibly league membership. In addition, the head coach will be suspended for the remainder of the game and the next game. He may not return to coaching until a special NJYRHA board review whereby further action may be taken.

The frozen team roster must display all components of the team as follows:

- a. Division (Midget, Junior or Senior)
- b. Local league name, including Team name (if applicable)
- c. Full player name, home address, home phone number
- d. Jersey number (permanently assigned for the entire season)
- e. Birth date and players age as of September 1
- f. Head coach and assistant coach/coaches (with phone numbers)
- g. Call-up players

11 THE PLAYER

11.1 PLAYER GUIDELINES

An NJYRHA player may only be on one roster, however a limit of 10 players may be listed as “call-ups” on the roster of the next level (refer to Rule 11.2 for specific requirements). Proper age classifications are as follows:

- a. Midget- At least 8 years as of September 1 of the current season and no more than 11 years of age as of September 1 of the current season.
- b. Junior- At least 12 years of age as of September 1 of the current season and no more than 14 Years of age as of September 1 of the current season.
- c. Senior- At least 15 years of age as of September 1 of the current season and no more than 17 Years of age as of September 1 of the current season.

A player may play up one level only, provided that the player is in the last year of eligibility in the level immediately lower.

Female players are allowed to play down one additional grade or year to determine their appropriate level

All players must wear all protective gear as described within Section 15 of this booklet, when they are on the rink

11.2 CALL-UP PLAYERS

A team may list up to a maximum of 10 players as “Call-ups” on the roster from a team or teams at the next lower division. As an example a Midget player can be “called-up” to a Junior team. This is to ensure that teams have enough players to avoid forfeits, etc. Players also cannot move down to a lower level.

If a local league has more than one team at a given level, all those teams can share the same call-up list if desired.

There is no limit as to the number of times a call-up player can be used during the season.

Players in their first year of eligibility cannot be used as a “call-up”.

NOTE: This only applies to the Midget level. First year Junior players will be allowed to be used as a call-up for Seniors.

Coaches of teams using call-ups must notify the referees and the scorekeepers prior to the start of the game.

Violations of this rule will result in the offending team forfeiting its game and losing its call-up privileges for the remainder of the season.

Call-ups are permitted during both the regular season and playoffs.

11.3 WHERE TO OBTAIN PLAYERS

Players may be drawn from an area restricted by their “approved” local league application. For example a local league called, “hometown, USA”:

- a. can draw from all residents of Hometown
- b. can draw from legal residents of other towns provided they are not part of another town’s charter
- c. can not draw from residents of other NJYRHA local leagues without NJYRHA board approval

11.4 INJURED PLAYERS

On a whistled injury, the injured player must leave the playing surface and cannot return for thirty seconds of game play.

Any player with an open cut or has blood on their uniform or equipment, will cause the game to be stopped. In addition to caring for the injury, the player will be allowed to return to the game only when: the bleeding has stopped, the wound is completely bandaged, and the player has their equipment and their uniform free of all visible blood.

Blood Jersey must be listed on the roster accordingly and may used for blood sustained players

12 THE COACH

A team must designate one head coach and may also designate assistant coaches. A maximum of 3 coaches may be present on the rink during the game. All coaches’ names must be accurately reflected on the frozen team roster.

All coaches must be a “certified coach”. A coach is deemed “certified” if they have taken any of the various coaching certification courses and attended a NJYRHA coaches meeting as applicable.

The conduct of a NJYRHA coach must be beyond reproach. The example of good sportsmanship and respect towards all coaches, players and officials must be clearly demonstrated. All coaches must sign the coaches CODE OF ETHICS to be allowed in the players’ bench and to actively coach any team(s). Any coach not adhering to the CODE OF ETHICS, is subject to expulsion from the game. Further disciplinary action can be taken pending board review. In addition, any coach suspended from coaching in any division, is suspended from all league activities for the duration of the suspension. (See Section Two - Goals of the Organization)

Coaches should not over coach their team during games. This is intended to mean that your players should be the focus of attention for your spectators. Parents want to see their children play roller hockey, especially at the midget level. Coaches should refrain from an overzealous style of coaching.

Coaches are responsible for ensuring all of their players comply with all equipment regulations.

In order to avoid re-scheduling games due to player or coach availability, the use of a substitute coach is permissible, as long as he/she is a certified coach.

13 THE OFFICIALS

13.1 APPOINTMENT OF OFFICIALS

The official method of officiating NJYRHA games is with a two referee system

- a. Games may be played with only one referee if both teams agree.

All referees are independent contractors of the NJYRHA and report directly to the NJYRHA Supervisor of Officials, who is appointed by the NJYRHA. The Supervisor of Officials reports directly to the Executive Board

All referees must be certified via a referee clinic which will be conducted prior to the start of the season.

Referees should wear the following: Skates, Helmet, Officials shirt, Black pants, and protective gear

13.1 REFEREE RESPONSIBILITIES

Referees will arrive 15 minutes prior to scheduled game start time to perform:

- a. Rink Inspection
- b. Introductions
- c. Equipment & Roster Checks

2. The Referee is responsible for the following:

- a. Ensure all score sheets are: ready at game time, used during the game, verified and signed by all game officials at the conclusion of the game.
- b. Ensure all penalties, goals, and assists are recorded on the score-sheet.
- c. Ensure all correct reports are filed for Game Misconducts and any other incidents. These reports must be submitted to the Supervisor of Officials within 24 hours.

- d. Maintain control of the game. The game includes all players, coaches, referees, administrators and crowd (fans). If the fans become a problem it is the Referees responsibility to locate home rink management to diffuse the situation. The game will not continue until the situation is resolved.
- e. All Referees should signal an infraction twice. Once at the site of the penalty call and once at the scorer's table

13.2 PAYMENT OF REFEREES

Payments must be made by EACH team before the start of the game. Those towns that use a voucher system will ensure that proper paperwork is completed by all referees at the rink and payment is processed immediately.

In the case of a forfeit the designated home team will pay the referees and will then be reimbursed by the forfeiting team

RULE BOOK

1 GAME PLAY

1.01 THE GAME

Game shall be played 5 vs. 5 plus goaltender.

No checking. Light contact is permitted, provided that the player is playing the ball and not the player. In addition, an inadvertent collision should not be deemed as a check. This call is based solely on the judgment of the referee.

Offside will be called using the blue line; however the two line pass does not exist

An icing call will be made when an attacking player passes shoots or clears the ball from behind the center red line and it travels untouched, is not playable and crosses the opponents' goal line. The obvious two exceptions are when the ball passes through the crease or when a goal is scored. Another exception is when the goaltender leaves the crease completely whether or not he/she attempts to play the ball.

Player substitutions can be made on the fly. The touch up rule is not in effect; therefore a player may enter the game when exiting the penalty box and begin to play immediately upon entering the rink. However, offside will be called if necessary.

1.02 TIME OF GAME

The game will consist of three 15 minute periods with stop time on all whistles.

A running clock will be implemented when the score differential is seven (7) goals. Failure to adhere to this rule will result in the home team forfeiting the game.

For all Midget games this will only be applicable in the third period.

There will be a mandatory two (2) minute rest time in between all periods.

Each team is permitted one (one minute) time out per period. They cannot be carried over.

A game will be considered an "Official Game" after two full periods have been completed.

A game shall be considered a "Suspended Game" if it does not meet the criteria for an official game. The Scorekeeper should document all necessary game information so that the game can be continued at another time. Referees must sign this scoresheet to officially authorize the suspended game.

Overtime - Regular Season

- a. 5 minutes stop time sudden death period. Each team receives one point in standings for the regulation tie. Teams play 5 vs. 5 plus goaltender, One (1) time out per team is allowed.
- b. Shoot-out
- c. If after the overtime period the score is still tied then a shoot-out will be used to determine the winner of the game.

- d. Each team will select three shooters, which will alternate shots. The team with more goals wins. If tied, we go 1 vs 1, sudden death until there is a winner. NO player may shoot twice until all shooters have shot once. The minimum number of shooters that can shoot will be based on which team has the least number of shooters.

If a team is already down to three (3) skaters due to penalties and another penalty is called on the team with three skaters, a penalty shot will be awarded to the opposing team. If the opposing team scores then the game is over. If not, continue play with the shorthanded team still down by two players (5 on 3) until that penalty expires or the overtime period ends (whichever comes first).

Overtime - Playoffs

- a. One (1) 15 minute stop time period, 5 on 5 plus goalie.
- b. If there is no winner, then all following overtime periods will be 10 minutes stop time each, 5 on 5 plus goalie, until there is a winner.
- c. One timeout per team will be allowed during each overtime period

1.03 GAME CONDITIONS

Home town representatives are required to notify the opposing town representative of any delay of start time or weather cancellations with 2 hours notice. Officials are required to contact the home town representative for any games.

The hometown league official will determine whether or not the rink is playable. Once a game starts this decision is solely in the hands of the referees.

Spectators are not permitted on the team bench, penalty box, or rink during pre-game warm up, during the game or between periods. A spectator is anyone who is not a rostered player or coach, referee, administrator or scorekeeper.

Pre Game Rink Inspection-

- a. Rink inspection by all officials
- b. Goal inspection by all officials
- c. c. If a rink is deemed not playable, that game should be cancelled.

1.04 START OF GAME

To start a NJYRHA game each team must have six (6) team members present. These team members do not have to include a goalie; a player may stand in the goal, but will NOT have any goalie privileges.

Games must not be started prior to their scheduled start time

Games can be delayed by no more than 30 minutes from their original start time in order to ensure the rink is in a safe and playable condition.

If there is a goalie injury then that team will be allowed to play with six (6) attackers until a goalie is dressed. (no goalie privileges will be awarded)

A current roster must be submitted to the scorekeeper prior to game.

- a. Referees will check the roster of all teams to verify team and player eligibility. Rosters for each team should be available to be checked by referees before the start of each game. If one or both teams do not submit their team rosters at the start of each game, they must do so before the start of the third period or be subject to forfeit of the scheduled game as a non-qualified loss. Additionally, any team which does not submit its team roster at the beginning of the game, but prior to the beginning of the third period, is subject to a bench minor penalty for delay of game at the time they produce their roster.
- b. Only individuals listed on the team roster are considered "eligible players", and only "eligible players" are allowed to participate in the game played.
- c. If an "ineligible player"- one who is not listed on the team's roster and/or whose individual player information is not contained in the team roster- is included on a team for a game (either prior to the game, or on the bench or involved in play during the game), the team in question will immediately forfeit that game, whenever the team's roster is verified by the referee, either before or during the game. Additionally, the person or persons serving as head coach (es) for the offending team will receive an automatic one-game suspension. In the case of ineligible players, the offending team and coach will be subject to further penalties upon review by the league's executive board."

The designated home team shall provide:

Score sheet and official scorer

Game Balls (three new ones to start the game handed to the game official)

Referee Fees (payment in full immediately after the game)

Rink Preparation (free of all debris, dirt, leaves etc) also known as Rink Maintenance

1.05 CHANGE OF GAME SITE

If the home rink is not playable, but the visitors rink is playable; allow for a change of location to the visitor's rink. This can only be done with notice to the league at least 24 hours advance notice of the scheduled game time.

1.06 MAKE-UP GAMES

If a game cannot be played due to inclement weather, lack of referees or rink conditions it is the responsibility of the NJYRHA schedule committee to reschedule the game.

The rink does not have to be either team's rinks and does not have to be at the same rink the originally scheduled game was being played.

Originally scheduled home team is responsible for all referee fees.

Re-scheduled games must be reported to the Supervisor of Officials, who will then assign referees

1.07 POST SEASON GAMES

All post season games will be played under the same rules as the regular season except:

Play-off qualifications:

- a. A team must play 75% of its regularly scheduled games to qualify for the playoffs. Forfeits will only count as games played for the team that receives the forfeit in that situation. The forfeiting team (which receives a non-qualified loss) will not get a game played.
 - a. Games will require two officials.

All-Star Games:

- a. Selections will be handled by the responsible committee
- b. Sites and Times will also be handled by the responsible committee.
- c. Travel and Tournament teams will be selected by the appropriate committee. (if necessary)

Bench Clearing Altercation during Playoffs

- a. The team initiating this will forfeit the first game of the following season. A board review will determine whether further disciplinary action is required.

1.08 FORFEITS

If the minimum numbers of players are not present to start game within 15 minutes of scheduled game time, then the game will be declared a forfeit.

A forfeited game must be reported to the Executive Board within 24 hours of schedule game time. The team forfeiting the game will receive zero (0) points and a non-qualified loss, which means no credit for a game played. The other team (winning team) will receive 2 points, and credit for a game played.

If the visiting team forfeits a game within 12 hours of that game time, it will be responsible for the home team fees, including those referees and scorekeepers (if applicable).

1.09 EXCESSIVE SCORING

As a matter of basic sportsmanship, the league will not condone excessive scoring by winning teams. It is the responsibility of winning coaches to ensure that margins of victory in all games do not exceed the amounts described below.

- a. Midget and Junior levels
 - a. The margin of victory must not be greater than 8 goals;
 - b. The following penalties will automatically be applied to Midget and Junior level coaches whose teams exceed an 8-goal margin of victory (final score) in any regular season or playoff game:
 - i. First offense: The coach will receive a one-game suspension;
 - ii. Second offense: The coach will be suspended for the remainder of the regular season and the playoffs.
 1. The coach and the town program will also then be subject to additional disciplinary action, based on review by the league Board.
- b. Senior level- Games will automatically be ended if there is a 10-goal differential by the end of the second period or at any time during the third period.

2 EQUIPMENT

2.01 GENERAL EQUIPMENT

All equipment must be in good condition, properly used and properly worn with no exposed parts. Skates must be in good condition with ALL wheels in proper place. This will be enforced before and during all games. No player will be permitted to participate with exposed equipment. Misuse of any equipment will not be tolerated and will result in the following penalties:

- a. First Offense - Ten Minute Misconduct
- b. Second Offense - Game Misconduct

The following equipment is mandatory for all players regardless of league level and/or division:

- a. Padded hockey gloves
- b. Full shin and knee protection
- c. Elbow protection
- d. Protective cup (except female players)
- e. Shoulder pads (hockey type)
- f. Hockey sticks which are properly butt ended and which cannot fit through a face mask

Girdle made for hockey underneath their shorts or pants.

Inline skates

Colored Mouthpieces must be in good condition and worn by ALL players and MUST be attached to the player's helmet. All must be attached as factory made with no alterations.

Orthodontist mouthpieces are excluded, provided a letter from the physician is on file with the sealed roster.

Clear mouthpieces are NOT permitted.

2.02 GOALIE EQUIPMENT

A. Goalies are required to wear goalie equipment which includes:

- a. Ice hockey HECC approved helmet
- b. Throat protector
- c. Chest protector with arm guards
- d. Catcher and blocker glove
- e. Elbow protection
- f. Goalie leg pads
- g. Hockey pants
- h. Inline skates

2.03 GAME BALLS

Hockey balls are available in Orange (hot), Pink (warm) or Yellow (cold); however, the pink ball will be considered the official game ball unless BOTH coaches agree on the use of a different ball. If both coaches cannot agree on a particular ball then the pink ball will be used.

Use of a puck is not permitted.

2.04 UNIFORMS

A. Players must wear a team jersey that:

- a. is identical in style to all players on the team
- b. has a number that is clearly visible on the back.
- c. has a number that matches the number on the team roster
- d. Teams may opt to have home and away jerseys. If they do so, the numbers on both sets of jerseys must be the same and match the roster numbers.
- e. Every team in a town must wear the same approved chartered colors. (unless specifically approved by the NJYRHA)
- f. Visiting teams must wear pinnies or other colors, if the teams' colors are similar. The home team must provide the pinnies to the visiting team.

It is the responsibility of coaches to check all their players before each game to ensure that those players comply with all the above equipment and uniform rules.

3 PENALTIES, SUSPENSIONS & PROTESTS

3.01 PENALTIES

Penalties shall be divided into the following classes:

- a. B. Minor Penalties
- b. C. Major Penalties
- c. D. Misconduct Penalties
- d. E. Match Penalties
- e. F. Penalty Shot
